2/21/86

PRESIDENT OF
AMATEUR RADIO CLUB:

Last April your club submitted the attached amended bylaws for approval by the Codes & Bylaws Committee. That committee apparently did not act upon them at that time, therefore, I resubmitted your amendments to them again recently.

The Chairman of the Codes & Bylaws Committee has made some suggestions regarding your bylaws, which are in his attached memo dated 2/14/86.

After you have made the changes (using the same format as you did previously for amendments), please forward them to me.

Thank you.

Doris Berry
Student Life &
Activities Planning
Center

(Also, the attached form "Amendment Proposal" needs to be again signed and submitted with your amendments.)
